

Wrightwood Elementary Parent Teacher Group 2019-2020 Membership Drive:

Welcome to a new brand new school year Wrightwood raccoons! The PTG knows that with your support this new year will be our best so far. Once again this year we are offering various levels of PTG membership. Membership is not required; However, if your child or children plan on participating in the ski and snowboard program then your family must purchase a PTG membership of any level. These membership levels have been designed to fit your budget and to meet the needs of each individual family. We ask that you please take a moment and choose which membership is best suited for your family.

Some of our families might not be aware of what the PTG does besides asking you for donations and rallying up volunteers for various school events. The answer in its most simplistic form is this: We the PTG bridge the gap between education and parents. Offering a more enriched and versatile learning environment for our children. We create and fund activities, events and all field trips! We provide classroom supplies, playground equipment, facilities equipment, and technology. All of these would otherwise be financially and logistically impossible for the school to provide. The membership drive is the first fund raiser of the year for the PTG. Your family's participation is an essential ingredient for a unforgettable school year.

As a PTG member you will have a voice within our school to share any and all of your thoughts, concerns, ideas or comments. Membership is vital to our organization and we hope that you will join us in our cause, because as we all know "It takes a village". Any class that receives 100% membership by September 27, 2019 will receive a class pizza party courtesy of the PTG. As a member you are not required to attend PTG meetings or to volunteer for PTG events; However these are both things that are greatly encouraged and deeply appreciated. As always participation in ski/snowboard program requires a PTG Membership of any level.

Please note that all membership fees are completely tax deductible as we are a non profit organization under the tax code 501c3. Checks must be written to Wrightwood Elementary PTG. Please complete the attached membership form in its entirety and return it as soon as possible to your child's teacher or you may drop it off in the PTG drop box located in the schools main office. Thank you in advance for all of your ongoing support of our Wrightwood Raccoons!
